

## How the PSC50 Coupon for free membership works

- The coupon can be used once per membership
- It is only valid for memberships processed between 2021-01-01 to 2021-12-31
- You **must** enter the coupon code - **DCHH7OEO** - when creating a new or renewing an existing membership – **before** proceeding to the **Confirm** button
- If you do not see the screens as shown in the directions below and **only have the option to submit payment...STOP!...**and [ask for assistance](#); it is likely that there is an active invoice that is preventing you from using the Discount Coupon Code...
